

Natural Gas lines in Village of Lindell

Delmarva Power will meet with the VOL civic association board members to discuss bringing natural gas lines to our neighborhood if there are enough interested residents.

Email the civic association at vlginca@gmail.com to express your interest. Please include your name and address in your email.

Any questions? Call Amy at **302.545.1963**.

Please respond by November 15.

Use of gas is optional. Homes can switch to gas at a later date after initial hookup.

Cheaper, cleaner heat source.

Would be able to install a gas range, hot water heater, dryer or fireplace

Better resale value for your home.

Dues are collected starting in September each year to ensure we have the funds available for the upcoming snow season.
