Holiday Security Tips!

Remember that shopping season for you is also shopping season for thieves. When Christmas shopping put all presents in the trunk out of sight to reduce vehicle break-ins. If you are expecting a package to arrive at your house, ask a neighbor if they can bring it in to keep the porch pirates away! When disposing of holiday packaging for large ticket items, i.e. electronics, it is best to break the box down and place in recycle instead of being visible on the curb.

Winter Weather

With snow showing up in our forecast, please remember to move your vehicle off the street, if possible, if you see a storm is ready to hit us. This will help Ruggerio's clean as much of the roadway as possible.

Also remember, children may be playing outside in the snow. Stay alert keep your eyes open for sledders!

Winter Coat Drive

The Fossett Family will be collecting winter coats until January 1. If you would like to clean out your closets and help with the drive, a collection box will be placed in front of their garage. Coats will be delivered to needy families in the area. The Fossett's live at 1901 Lindell Blvd.

Fire Safety Reminder

As beautiful as all the lights and Christmas trees are, please be aware that on occasion, they can also be a fire hazard. Check strands from time to time and make sure if you have a live tree, there is plenty of water in the base. Also, it is wise if leaving the house to turn off all lights. Have a safe holiday!

Delmarva Update

The HOA is still working with Delmarva Power to install gas lines to anyone that is interested. The initial fee is \$200, refundable to you when you hook up the first gas appliance within 5 years, even if you sell your home.

They will also install a service line from the main pipeline to the location where your gas meter will be placed. Delmarva will install ALL THE LATEST SAFETY EQUIPMENT!

You must fill out an application and send it before March for us to get on their schedule. If you need an application, visit www.delmarva.com/sitecollection/documents/delmarva_faqsatgassw_itch_2017.pdf
